Maybe work with indymedia.

Ani says we have many videographers as volunteers with nothing to do. Dave says we could use Indiegogo (<http://www.indiegogo.com/>) and really get the programmers who do live music involved. Lyn Moelich was approved as the interim-chairperson of the committee. Interim being until January.

Ani talked about what she needs from the committee in the upcoming membership drive.

BRING BACK TABLING, we will. More content for tabling.

A lapsed membership mailing, ways to make it less expensive.
