Here is my Evening News and PA Report for March 2015:

-Following the completion of the membership drive last month, have been working on editing together the pieces for the 'USB Flash Drive' thank you gift filled with KBOO-exclusive audio

-Have worked with volunteers to record a number of events this month including Omar Barghouti, the Economics of Happiness conference, the E-Law conference, panel on 'Police, Race and the One Percent'

-We are finalists for a grant I submitted to help fund the 'Newstip submission and verification system' I have been wanting to create for our newsroom

-Working on updating the curricula for the news classes to make them more interactive

-I am working with the company we have hired to do our new website to set up a development server and get the current site working properly

-Planning a special on March 20th on the anniversary of the Oso mudslide

-helping out in the morning while Kathleen is out of town

-Jenka

HI all...

we are canceling tonight's meeting, as Kathleen was called out of town for a family emergency, Jenka has a conflict of timing, and we don't have any agenda items besides staff reports.

I'll email teh PM news and PA report, as well as mine, later today.

See you next month, April 14th at 6pm! take care -Erin
